PUBLICOLA's *third Letter to the* Managers *of the* ORPHAN HOUSE *in* Georgia.

Gentlemen,

HOW transient, alas, are all Sublunary Joys! The bare Report of your Letter, published in the *So. Carolina* GAZETTE (No. 551) greatly rejoiced the Heart of your Friend *Publicola*; but no sooner had I seen and perused it, but all my Joy was turned into Grief and Confusion; as too plainly perceiving, how contrary an Effect it would have, to that of stopping the Mouths of the *Gainsayers!*

And accordingly, falling into some Company the next Day, I had the severest Mortification, of hearing it remarked, or rather commented upon, as following.

--- *And not render Railing for Railing.*] Quietness is best --- If there be any *Railing* in the Case, who has provoked it?--Let them produce their Accompts, as due and demanded, and as much *Railing* along with them as they please.

The Publick expects, we are told, fair and attested Accompts, &c.] Did not the Gentlemen know this before they *were told it?* The more Shame for them, that they are now to be *told* it, and not have prevented any such *telling.*

Mr. Whitefield *defers it 'till he comes to* America.] No doubt of it; and how long after he will defer it, God knows! But why defer it 'till he comes to *America?*

Because it would be impossible either for him or me to publish a full Accompt, without knowing the particular Transactions both in America *and* England.] Lo, the Candor, Integrity, and Uprightness of the Men! The most *Jesuitical* abusive Shuffle that ever was attempted to be imposed! The *Managers*, good Men, are quite desirous to publish a *FULL Accompt* relating to the *Orphan-House*, but they are ignorant of the *particular* Transactions relating to it in *England*: Mr. *Whitefield*, great and good Man, is no less desirous to publish *such Accompt* of the said House; but he is ignorant of the *particular* Transactions relating to it in *Georgia*. -- Will such glaring Artifice down with *Publicola*, or any other, even their meanest *female* Creatures, Dupes, or Adherents! --- Have *Whitefield* and his *Substitutes* had no Correspondence all this while? Or has it been wholly employed 'bout the *SPIRITUALS*, *Convictions* and *Conversions* of the poor *Orphans*, and People at *Gambushang*, &c. without any Notice of the *TEMPORALS*, the *Sums of Money*, &c. collected, and *Disbursements* of the same, &c? No mutual Communications, or Correspondence of this latter Kind? Great indeed must thy Faith be, O Man or Woman, that believest it! But supposing the mutual *Ignorance* of each others Transactions as pretended, yet why might not the *Managers* have published a *FULL Accompt* of all *their* Transactions relating to the said House, viz. the *Sums of Money*, or other *Effects*, *Goods*, or *Chattels*, which they have received, either the Fruits of Mr. *Whitefield*'s mendicant Diligence, or their *own*, or by any other Ways or Means whatsoever, as *Work* of the House, *Produce* of the Plantation, *Payments* for Boarders, &c. And of the *Monthly* or *Quarterly* Disbursements of the same; and moreover, of the *Orphans* and other *Objects* supported in the said House, their *Names*, *Number*, *Ages*, *Sexes*, &c. and left Mr. *Whitefield*'s Part (which can be only the *Sums of Money*, and other *Effects* he has received on that Behalf, and his *Remittances* of the same made to them) to be filled up by himself; which when done would compleat a FULL *Accompt* of the whole? --- Why not *this Method* taken by the *Managers*, towards a FULL *Accompt*? But no; they and Mr. *Whitefield* must first confer Notes; that is, in plain English, they and he must jointly ------ [Here the Remarker, by a sudden Thump on the Table, interrupted my Hearing, 'till he farther went on.]

GOD, for wise Ends, hath detained Mr. Whitefield, &c.] --- Horresco referens! Must GOD then be the Author of all *Whitefield*'s Maggots, Freaks, Whims, Projects, Strollings, &c? Insolent and profane Men! -- Whether GOD or the *Devil*, or his *own Devices* detain'd him, is more than they know. *St. Paul* purposed *once and again to come to the* Thessalonians, *but SATAN hindered him*; and surely, SATAN has not less Power over a *Mock-Apostle*, than he had over a *true*. But still had they modestly said, that probably God, for wise Ends, may have detained him on the other Side the Water, that is, where he could do the least Mischief; it might have passed without Objection.

I hope he will soon *be with us, and convince* Publicola *(if he will be convinced) and all Mankind,* &c.] CHARITY, indeed, *hopeth all Things.* --- But poor PUBLICOLA! Is this thy Reward, for all thy Zeal and honest

Endeavours

Endeavours for the Good of the *House!* ALL Mankind *convinced*, but thy *Conviction* alone ſuſpected! But convinced of what? Why,

That not only a 5th Penny of the Benefactions to the Orphan-Houſe *hath been expended about it, but more than ever was collected.*] Your *full* Accompts, Gentlemen? No, we are ignorant of the Tranſactions in *England*. Why ſo confident then of convincing, that more has been expended 'bout the *Orphan-Houſe*, than ever was collected? But this muſt be underſtood only as a *Georgia* Air; or rather as an *Item* to the *good man's* Creditors in *CAROLINA*, to *have Patience with him, and he will pay them all.* —— Here I ſtarted up, and in ſome Commotion of Spirit, told them, 'They were all cer-'tainly *Damned*; and that *Mr. White-'field* would ſurely appear with his Ac-'compts, and confound them all at the 'Day of Judgment!' and ſo departed.

And now, Gentlemen, give me Leave to bemoan myſelf to you, on the fiery Tryal of PERSECUTIONS which I ſuffer! I'm *perſecuted* by the *Gainſayers*, on the one Hand, as a Creature of yours; and by *you*, on the other Hand, as a falſe Brother! However none of theſe Things, I hope, ſhall move me; but mean Time ſeriouſly adviſing you, not to omit any the Particulars of the Specimen I ſent you, in your promiſed Accompt, I ſtill continue *Gentlemen*,

Your ſtedfaſt Friend and moſt obedient Servant.

PUBLICOLA.

South Carolina, *October 31ſt*, 1744.

CHARLES TOWN, *Nov.* 19

The Particulars relating to Capt. *Hamar's* Prize, promiſ'd in our laſt —— On the 14th of laſt Month, his Majeſty's Ship the *Flamborough* being in the Lat. of 32 Degrees N. and about 150 Leagues to the Eaſtward of this Coaſt; in the Morning at Break of Day ſaw two Ships to the Leeward of her, ſtanding to the Northward, and a ſmall Schooner a little a head of them, which Schooner the *Flamborough* had chaſed all the Day before, at 6 o'Clock one of the Ships hoiſted an *Engliſh* Enſign, and fired a Gun to the Schooner to bring too, but ſhe not caring to do ſo, the *Engliſh* Enſign was ſoon haul'd down, *French* Colours ſpread, and ſhot fired at the Schooner, upon which the *Flamborough* took in her ſmall Sails and prepared for Action, and at 9 o'Clock (the Schooner getting away) both Ships haul'd upon a Wind, as if they would ſpeak with the *Flamborough*, who bore down upon them with an eaſy Sail, 'till ſhe came within Gun ſhot of the biggeſt of them, then hoiſted her Colours and fired her Chaſe Gun, which was ſoon return'd from the other with a ſhot to Windward, and in a ſmall Time after with her Stern Chaſe; at 9 o'Clock they gave the *Flamborough* their Broadſide, which was return'd with 9 joyful Hurra's, and then began the Engagement, which laſted pretty ſmartly 'till 11, when the Enemy ſtruck their Colours, having both their 1ſt and 2d Captains, 7 or 8 Officers, and about 30 of their Men wounded; and their Rigging and Sails cut all to Pieces. This Ship is called *La Soudre*, of *Rochell*, from *Miſſiſippi* and the *Havanna*, bound to *France*; ſhe was commanded by the Sieur *Elias Seguinard*, and had a Letter of Marque, carrying 22 Guns, 4 Pounders, and had on board 71 Men, when they began the Engagement; they ſay they had but 1 Man kill'd in the Action, but had 13 ſo miſerably wounded (chiefly by ſome of their own Powder blowing up upon Deck) that they afterwards died on board the *Flamborough* before ſhe got into this Port, although all poſſible Care was taken of them, among whom was the firſt Captain, a *Spaniſh* Merchant, and a Son of the *French* Conſul reſiding at the *Havanna*: There has been found on board this Prize already, near 60,000 Dollars; the reſt of her Cargo conſiſts of raw Hides, *Havanna* Snuff, and ſome Indigo, and it's thought the whole Value of the Ship and Cargo will amount to near 20,000 *l Sterling*: while the *Flamborough* was engaging this Ship, the other made the beſt of her way off, ſhe had but 20 Men, and 4 or 6 ſmall Guns; her Loading was Rum, Sugar, and ſome Indigo. Theſe two Ships, with 4 more (very rich ones,) were convoy'd from the *Havanna*, by a *Spaniſh* Man of War of 60 Guns and two Privateers, who had been parted from them but two Days before they fell in with the *Flamborough*. The *Flamborough* loſt but one Man by this Action, and had not another wounded, but has her Main-maſt and Main yard diſabled by the Enemy's Shot, and had her Rigging, Sails, and Boats much ſhattered.
